Commissioner for Patents

The IDS cannot be entered due to the fact the following statement was entered: "The undersigned counsel for applicant(s) hereby certifies that no item of information contained in the information disclosure statement was cited in a communication from a foreign patent office in a counterpart foreign application, and, to the knowledge of the undersigned, after making reasonable inquiry, no item of information contained in the information disclosure statement was known to any individual designated in § 1.56(c) more than three months prior to the filing of the information disclosure statement." The fact that the statement is made that the listed prior art was not known to anyone more than three months prior to the filing of the IDS, but however at least 1 or more of the references appear on record either by the applicant's representative or the examiner. Therefore, as a result the statement is questioned and no listed document has been considered
